Wealth Cures

- **Selling Real Estate Cure**
 - Materials:
 - Red envelope.
 - Screw, nail or other piece from property.
 - Bit of soil from property.

Copyright 2002, Feng Shui Designs, Inc. / ChinaStudies / Helen and James Jay

Wealth Cures

- **Procedure**
- The Real Estate Cure is used when trying to sell a house or business. Of course, it is important that the property is priced right for the market. Correct pricing is the mundane step. This cure is the transcendental method to move energy in the direction of a successful sale.

Copyright 2002, Feng Shui Designs, Inc. / ChinaStudies / Helen and James Jay

Wealth Cures

- Take a piece of the house, i.e. a switch plate screw, nail, piece of tile, etc. from either the kitchen or foundation of the building. Something that can be easily replaced.
- Place the item in a red envelope with a little soil from the yard or property and carry it to a nearby river or stream. Toss the envelope into the stream. Best performed between 11:00 am and 1:00 pm.

Copyright 2002, Feng Shui Designs, Inc. / ChinaStudies / Helen and James Jay

Wealth Cures

- As you toss the envelope, perform the Three Secrets Reinforcement. Visualize that the envelope floats downstream and is retrieved by someone and that it is the person or persons who are looking to buy your property. Visualize a win/win situation for both parties. Everyone gets what they want, the transaction goes smoothly and the outcome is positive for all involved.

Wealth Cures

- Just after escrow closes and you are about to vacate, replace the piece that was removed with a new piece so the house is complete.
- If business use something from break room or employee lounge...where you eat or drink.
