Purposes of the ASD:

The American Society of Dowsters was formed in 1961. It is a non-profit organization run by volunteers. The society was created to:

- Facilitate networking among dowsters and organizational affiliates.
- Provide basic and continuing educational opportunities for members and encourage high ethical standards.
- Promote public awareness of and appreciation for the art of dowsing.
- Enable the development of new organizational affiliates.
- Cooperate with individuals and organizations doing research on dowsing phenomena and publishing their findings.

If you have any questions about dowsing or becoming a member of ***The American Society of Dowsters***, please contact us at: members@dowers.org
